Quiet & Peaceful within minutes of the best of Brisbane.

Best Inner City Southside location with easy access to Princess Alexandra and Mater Hospitals.

Or ride a bike, catch the ferry or a bus across the river to Queensland Uni. A stroll to Dutton Park State Primary School..... walk to St Laurence's boys college or Sommerville House girls school.

With bus and train close by ..this is the ideal precinct...without the hustle and bustle of inner city living. A lovely bush outlook from the big balcony. You might even think you are living in the country!

The sweeping views capture the city lights and Mt Cootha beyond. Wander up to the New York style roof top BBQ/ lounging area. You will never miss the Fire Works again.
