Stunning Family Home in the Heart of New Farm

Located in the heartbeat of New Farm, this beautifully presented workers cottage has been loved and modernised into a family home that is awash with warmth and light filled interiors; quintessential to New Farm living. The thoughtful design combined with outstanding restoration brings to life a perfectly positioned and highly desirable family home for any discerning buyer who wants to enter the New Farm market with style.

Upstairs incorporates 2 bedrooms, 1 bathroom and an open plan living, dining and kitchen, which flows effortlessly out through bi-fold doors to an outdoor alfresco living area. The Kitchen has been recently upgraded and includes well-chosen industrial appliances.

Through the internal staircase you will find additional downstairs living, which is accompanied by a large bedroom that also lends itself perfectly for an office/multipurpose area.
